

Human trafficking is the third largest international criminal industry.

Between 14,500 and 17,500 people are trafficked into the U.S. each year.

The National Human Trafficking Resource Center took 37 calls from Alaska in 2015.

The Barefoot Mile is a 1 mile barefoot walk where participants stand behind the cause of human trafficking.

Awareness is important, but we need people to take **action** in helping us to raise the necessary **funds** it takes to rescue these precious, innocent individuals.

The funds raised will assist in the rescue, restoration, reintegration and prevention of human trafficking in Alaska, the US and Internationally.
